A Review of the Guidelines and Restrictions in Place as We Celebrate In-Person Mass:

While we have adjusted some of the restrictions in our Church, several of our restrictions will remain in place for the foreseeable future.

During the 'green phase':

- We still expect all those joining us for Mass to wear a face mask.
- We will continue to social distance in the church, by sitting only in the designated pews.
- Our maintenance staff will continue sanitizing the Church pews and other areas of the church on a regular basis.
- We will continue to use only one set of doors for entrance into the Church, and one set of doors to exit the Church. (Please continue to be deliberately conscious to social distance as you exit the church, by respecting the distance between you and those exiting the Church at the same time.) If you are able to remain in Church for an extra few minutes after Mass, it will greatly lend to a smooth exit from the Church.

We have introduced some adjustments to our parish restrictions.

Parishioners are welcome to join us for our 12 Noon Mass, as well as the Saturday 5 PM Vigil, Sunday 7:30 AM and Sunday 10:30 AM Masses.

We will continue to live stream the 12 Noon Mass, but we now have equipment in place that allows us to live stream Mass with people present in the Church.

Limited singing has been reintroduced to our Liturgies. For the time being, as a congregation, we will only sing, the Responsorial Psalm, and the Mass parts. Additionally, the cantor, alone, will sing hymns during the offertory and Communion procession.

Please also note the change to our Communion Stations. Continuing for the foreseeable future, there will be two communion stations near the Saint Joseph Altar and two communion stations near the Blessed Mother altar. There will not be a Communion Station in the center aisle.

We ask that you form the Communion procession in the exact same way you presently do; however, when you arrive at the front of the center aisle, an usher will guide you across the front of the Church to stations on either side of the Church. You are asked to return to your pews, as you are accustomed, by way of the side aisles.

For those wishing to receive Holy Communion on the tongue, you are asked to continue to approach only the priest standing near the Blessed Mother altar.

An Extraordinary Minister will bring Holy Communion to those seated in our handicap pews.

As we continue to navigate through these unprecedented times, I hope you join me in realizing our restrictions, while slightly inconvenient, are helping to ensure the safety of all those who join us for Mass.

We are now offering online giving!

VOLUNTEERS NEEDED!

As many of you are aware, we have been live-streaming one Sunday Mass each weekend for the benefit of those who are not able to join us physically for Mass in our Church. At this time, we are presently live-streaming our 12 Noon Mass. Fr. O'Sullivan is looking for parish volunteers to help coordinate and operate the cameras during our live-streaming. Parishioners (high school sophomores and older) with basic computer skills are welcome to volunteer for this initiative. Ideally, we need two people to operate the cameras from the choir loft each Sunday Mass. Father is looking for a team of parishioners to join this effort; hopefully, we can get at least ten volunteers which would enable flexibility and scheduling of each team member only once a month. For those who sign up, there will be a brief training session that will last less than one hour. Please call the rectory (215-245-1698) if you are interested in making sure this important ministry continues in our parish.

Parish Joins in Pro-Life Mass and Ecumenical Prayer Vigil

On Saturday, July 25, about 300 people from across the region joined with Archbishop Perez in praying for the unborn. After the mass at the cathedral, the group walked to the Planned Parenthood abortion center at 12th and Locust, where a Rally for Life was held. The above 4 parishioners participated.

Summing up and combining the words of the various guest speakers, let me share their thoughts by speaking in the first person.

“Learn to Love by Loving”

St. Francis de Sales (1567-1622) said that human beings “learn to speak by speaking, learn to work by working, and that we learn to love by loving.” Love, not only the child in the womb , but those who work for their termination.

“A Spiritual Battle”

Yes, getting good elected officials and judges is important, but being Pro-Life is primarily a spiritual battle: The hearts of those who support legal abortion on demand must be changed.
So both peaceful protest and prayer are important.

“Adoption is a Viable Option”

Concerning the issue of putting a child up for adoption, I was reminded that every one of us is already adopted: “In love, God has destined us for adoption to himself.” (Eph 1:5, Rom 8:15)
Adoption is a very viable option.

Finally, practice chastity and purity and teach it at home.
